Pursuant to Sections 63.71 of the Commission's Rules¹ and Section 214(a) of the Communications Act of 1934, as amended,² YELCOT Telephone Company ("YELCOT" or the "Company") hereby files this application to discontinue the provision of select operator services to customers that the Company serves in the state of Arkansas ("Application").³ In support of this Application, YELCOT submits the following:

I. Information Required by Section 63.71(a)(1) - (4)

A. Name and Address of Carrier

B. Date of Planned Service Discontinuance

YELCOT will discontinue Busy Line Verification, Busy Interrupt, Collect Call, Billed to Third Number, Billed to Credit Card, and Person-to-Person services to its customers in the state of Arkansas on or after June 4, 2016, upon completion of all necessary federal and state regulatory approvals.

¹ See 47 C.F.R. § 63.7 I.

² See 47 U.S.C. 214(a).

³ As required by Section 63.71 (a) of the Commission's Rules, Yelcot has notified and submitted a copy of this Application concurrent with this filing to the Arkansas Public Service Commission, the Governor of Arkansas, and the Secretary of the Department of Defense.

C. Points of Geographic Areas of Service Affected

Affected YELCOT local exchange customers are in the Company's service area which is located in north central Arkansas and includes the exchanges of Gassville, Cotter, Yellville and Summit Exchanges located in the Counties of Baxter and Marion.

D. Brief Description of the Types of Service Affected

In the areas referenced above, YELCOT provides the following services which will be discontinued (collectively, "Affected Services"):

- **Busy Line Verification** - An operator service allowing the operator to confirm when a line is idle or in use.
- **Busy Interrupt** - An operator service allowing the operator to break into conversation when a line is in use.
- **Collect Call** – A billing arrangement by which the charge for a call may be reversed provided the charge is accepted at the called service point.
- **Billed to a Third Number** – A billing arrangement by which an operated-assisted call may be charged to an authorized service point other than the service point originating the call or the service point where the call is terminated.
- **Billed to Credit Card** – A billing arrangement by which an operated-assisted call may be charged to an authorized credit card.
- **Person to Person** – That service where the person originating the call specifies to YELCOT operators a particular person to be reached, a particular mobile service point to be reached through a Mobile Telephone Service attendant, or particular PBX Service Point, department, or office to be reached.

This discontinuance is limited to the Affected Services. Customers will continue to have access to all other current services without interruption.

II. Brief Description of the Dates and Methods of Notice to All Affected Customers

Notices were sent to all of YELCOT's local exchange customers as a bill insert by method of U.S. Mail on April 29, 2016. Please reference Exhibit A which is a sample copy of the Notice sent to the affected customers. YELCOT deemed the bill insert the most economic method of reaching its rural customers.

III. Status of Carrier

YELCOT is an incumbent local exchange carrier and considered a dominant carrier with respect to the services that it proposes to discontinue in the state of Arkansas.

IV. Circumstances of Discontinuance

The Company's discontinuance of the Affected Services was a business decision based on a lack of customer demand for the services. In the preceding 12 months, the Company has had only one instance of Busy Line Verification. There were no instances of usage for the remaining Affected Services. Therefore, the discontinuance of these services will not adversely affect the Company's customers.

V. Certification

On behalf of YELCOT, I, the undersigned President, Sara Zimmerman, hereby certify that the statements contained herein are true, complete and correct to the best of my knowledge and made in good faith.

VI. Conclusion

For the reasons stated herein, the Company respectfully requests grant of this Application.

Respectfully Submitted,

Sara Zimmerman, President

This letter is to inform you that on or after June 4, 2016, YELCOT Telephone Company ("YELCOT") will no longer be providing certain operator services within the state of Arkansas. - **Busy Line Verification** -An operator service allowing the operator to confirm when a line is idle or in use.
- **Busy Interrupt** - An operator service allowing the operator to break into a conversation when a line is in use.
- **Collect Call** – A billing arrangement by which the charge for a call may be reversed provided the charge is accepted at the called service point.

Customers will continue to access general operator services, including operator assisted dialing, handling sent-paid calls, handling emergency calls and providing rate quotes where available.

If you wish to object, you should file your comments as soon as possible, but no later than 30 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of YELCOT Telephone Company. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
